Accessibility Statement – PrintNord

Last updated: May 25, 2025

At PrintNord, we are committed to making our website accessible to as many people as possible, regardless of ability, technology, or circumstances.

We aim to conform to the **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA**, which define how to make web content more accessible for people with disabilities, and user-friendly for everyone.

Scope of Our Efforts

We strive to ensure that our website is:

- Navigable with keyboard and screen readers

- Designed with sufficient color contrast and logical structure

- Compatible with modern browsers and devices

- Available in multiple languages

We recognize that accessibility is an ongoing effort and continuously work to improve the user experience for all.

Evaluation and Testing

This website has been evaluated using:

- **Internal accessibility testing**

- **Automated tools** (such as browser-based checkers and contrast analyzers)

- Manual checks using standard assistive technologies

We are not currently certified by an external auditor, but we regularly monitor compliance and usability.

Known Limitations

We are aware that some third-party integrations or older content may not fully meet accessibility standards.
We are actively working to resolve these issues as part of our site improvement process.

Feedback and Contact

If you encounter any accessibility barriers or need help accessing information on our site, we welcome your feedback.
