

Returns & Withdrawals Policy – PrintNord

Last updated: May 25, 2025

We take pride in creating custom-made products designed just for you. This policy explains when returns and cancellations are accepted under EU law and PrintNord's practices.

1. Custom-Made Products

Nearly all PrintNord products are **customized** according to your individual specifications, including design, size, and color.

As such, **they are exempt from the standard right of withdrawal** under EU consumer protection law.

According to Directive 2011/83/EU, Article 16(c):

“The right of withdrawal does not apply to the supply of goods made to the consumer’s specifications or clearly personalized.”

This means:

- We cannot accept returns or cancellations once your order has been placed
 - Please double-check your design and order details before confirming your purchase
-

2. Non-Customized Products

If you purchase a **non-customized, standard product** (for example, accessories or preprinted items we may offer in the future), your order is eligible for return and refund under the EU’s **14-day right of withdrawal**.

To be eligible:

- You must notify us within **14 days of receiving the item**
- The product must be unused and returned in its original condition and packaging
- Return shipping costs are the customer’s responsibility

Please contact **hello@printnord.com** before sending any return.

3. Damaged or Incorrect Items

If we made a mistake or the product arrives damaged, we will gladly **correct, replace, or refund** the item.

To report an issue:

- Contact us within **7 days of delivery**
- Include a clear description and photos of the defect or error

We aim to resolve such cases quickly and fairly.
